## MILLE NUITS LAMPS

With its own special magic, the *Mille Nuits* collection conjures up the refinement of Persian legends and takes us on an emotional journey to the heart of Oriental palaces. With Venetian grooves, prisms and inverted chandelier cups, *Mille Nuits* continues its ongoing success story with three new creations: a bedside lamp, a reading lamp and a "torch" wall fixture. The restyled timeless collection adds a modern, and at the same time, a baroque touch to every interior. Each piece comes with a pleated fabric lampshade producing a soft light and warm atmosphere.
