LES MINIS MÉDICIS

An iconic symbol of Baccarat jewellery, the Médicis has been restyled with lightness and elegance. With minimalist lines and delicate curves, the collection offers a contemporary femininity radiating from the harmony of the new colour combination. A range of five pieces cut in the «sugar-loaf» form, including a majestic necklace and the romantic «Toi & Moi» ring. This season, clear and pink crystal blend with vermeil, while shades of blue go with glittering silver. Hues with mirror-like reflections capture the light to enhance the beauty of each woman.
