BACCARAT X POKEMON

The Baccarat x Pokémon collection has new members! After celebrating 25 years of Pokémon in 2021, Baccarat unveils three new unforgettable personages: Small Pikachu, Jigglypuff and Eevee. Enjoy them as part of a collection or individually, as a personal gift for oneself or others, for all ages.

SMALL PIKACHU

The Baccarat x Pokémon collection has new members! After celebrating 25 years of Pokémon with a Medium Pikachu, Baccarat unveils a small version of the iconic character. A pop-culture star, Pikachu has captivated children and adults alike for a quarter of a century. With ears perked upon its head and a tail shaped like a lightning bolt, the little crystal figurine crafted by Baccarat's artisans is all smiles, radiating good humor, energy, and joy into any space.

JIGGLYPUFF

The Baccarat x Pokémon collection has new members! Pokémon n°0039 in the Pokédex, Jigglypuff possesses the «cute charm» ability, enabling it to seduce and enchant opponents. Round and soft, with little arms, two pointed ears and thick lock of hair, Jigglypuff is reinterpreted by Baccarat, transformed into a wonderful crystal ball to bring a touch of energy, light and sweetness to everyday life. The most darling companion for Pokémon fans across the globe.

EEVEE

The Baccarat x Pokémon collection has new members! Big eyes, long pointy ears, large fur collar, and a bushy tail: fans will immediately recognize Eevee, Pokémon n°0133, a creature capable of adapting to any environment. Baccarat revisits one of the game's most popular characters through the brilliance and purity of its crystal. A sweet and cheerful creation to delight collectors of all ages.
