BE@RBRICK DRAGON ZODIAC
LIMITED EDITION OF 3000 PIECES

Be@rbrick is entering into the heart of the Middle Kingdom with its Dragon costume, Zodiac sign of 2024. A new limited-edition creation to mark this special year of prosperity and good fortune.

Back from its many adventures, Be@rbrick is wearing the celestial sign of 2024: the Dragon envelops the contours of the famous «Art Toy», wrapping it with rings, like a second skin. Hand-laid gold leaf enhances the transparency of the radiantly energetic figure.

This Dragon outfit bestows upon the Be@rbrick an imperial charm, making it a must-have talisman for ardent collectors.
