LOUXOR

Louxor, a tight collaboration between art and design. With a geometric pattern inspired by the pyramids of ancient Egypt, each piece in the collection showcases intricate diamond-cut crystal motifs radiating a captivating light. Created by Thomas Bastide, the Louxor collection is an embodiment of timeless beauty and undeniable craftsmanship, leaving no one indifferent.

Louxor change tray [or letter tray, depending on the size]

An attractive change tray for the small items you may need at any moment. On a console or desk, the Louxor change tray adds light, elegance, and joy to your interior and does not leave you indifferent.

Pencil holder

A striking Louxor pencil holder bringing light, elegance and beauty to your desk. A beautiful accessory for working in style that does not leave you indifferent.

Round vase

In a striking interplay of contrast between light and shadow, the Louxor round vase in black brings a new elegance to any floral arrangement. Crafted with precision and passion, this versatile creation can also be used as a standalone decorative piece. A work of art which will not leave you indifferent.

Louxor photo frame

With a stunning presence and captivating reflections, a photo in the Louxor photo frame will take on another dimension. Crafted with precision and artistry, the Louxor photo frame is a beautiful decorative piece.

Photophore

The Louxor photophores creates an enchanting atmosphere, an invitation for joy. Enhanced by the flame of a candle, the radiance of the crystal multiplies the reflections of light and brings a magical glow to your space.
