EVERYDAY BACCARAT, SWING TUMBLER
Transform each day into a celebration.

The Swing tumbler, created by designer duo Savinel and Rozé, joins the Everyday Baccarat collection.

The motif, cut to exalt the purity of crystal, captures light and makes it dance in a striking visual display. A magnetic beauty that offers multiple opportunities to celebrate each day, from early morning until late at night. Breakfast, brunch, lunch, tea, or an evening cocktail, the Swing tumbler brings a touch of brilliance, transforming each moment into a special occasion.
