MONUMENTAL

"Monumental" offers a unique opportunity to enter into the legend of Baccarat and experience the grandeur of crystal, shaped by passion and dreams for 260 years. Pushing the boundaries of what is possible, this sculpture of spectacular proportions pays homage to the Manufacture's masterpieces, which have won awards at major World Fairs. The quintessence of craftsmanship, "Monumental" brings together Baccarat's greatest talents, including a Chevalier des Arts et des Lettres and several Meilleurs Ouvriers de France, alongside the Dutch designer, Marcel Wanders. Standing 1.40 meters high, with a diameter of 74 centimeters, weighing 271 kilograms, and boasting a myriad of fascinating reflections, each piece is the fruit of unique expertise and takes six months to create. To make the dream a reality, traditional craftsmanship is combined with remarkable ingenuity. The complexity of the structure disappears, revealing the pure magic of a monumental masterpiece.
