## BOLD MOVE

Baccarat, the alchemist of joy and creator of enchanting worlds, proudly unveils a bold move into new realms, reimagining some of its iconic symbols to create new collections and expand existing key collections by crafting pieces from refined materials such as lacquer, leather, porcelain, and wood. Enriching the Maison's universe, each creation honors the art of sharing and celebration, showcasing a steadfast commitment to artisanal excellence and inviting all to embark on a unique experience. Through this move and these highly attractive new pieces, Baccarat, deeply anchored in its roots while ambitiously striving to reach new heights, remains committed to continually crafting captivating worlds since 1764.

### HARCOURT CANDLESTICK CANDLE ▶

The Harcourt candlestick candle is a graphic candle reinventing the original Harcourt candlestick entirely in wax. Recognizable by its silhouette and light-catching facets, the Harcourt candlestick candle revisits its heritage with daring creativity. Available in a palette of six bright, elegant colors, the collection captures the very essence of Harcourt.

## "4 ELEMENTS" SCENTED CANDLES

The "4 Elements" collection of scented candles draws inspiration from the alchemy of the four essential elements of life that are at the heart of all Baccarat creations. The collection features four signature fragrances, each capturing the unique essence of earth, water, air, and fire. Presented in a beautiful Baccarat crystal container, each candle diffuses a distinctive olfactory atmosphere, providing pleasure and joy throughout its burn time.

Each candle, crafted with French wax of vegetable and mineral origin, offers a burn time of approximately 55 hours.

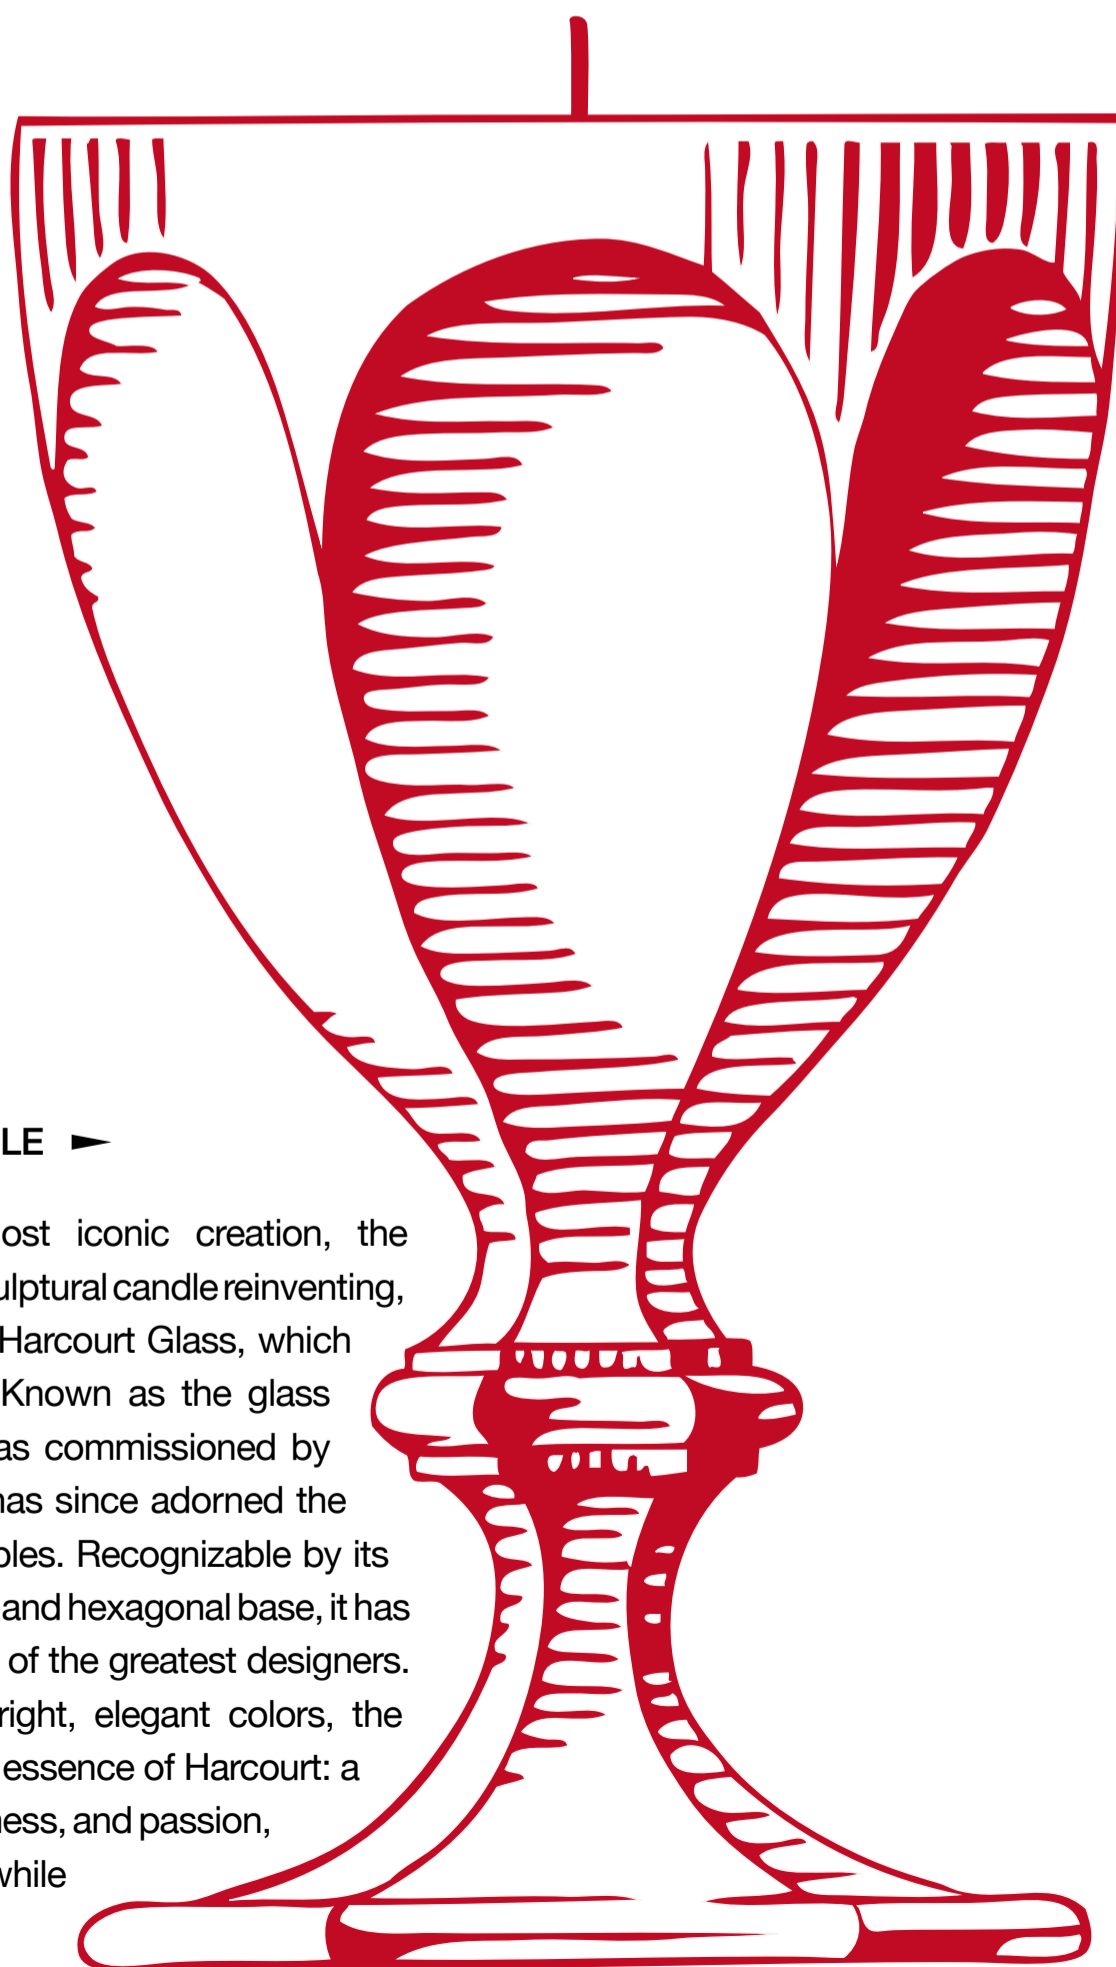

The **Feu Créateur** candle evokes the enchanting warmth of flames and creates a captivating atmosphere with its woody notes of vetiver, cedar, and birch.

The **Sable Précieux** candle evokes fundamental earth and unfolds warm and slightly spicy scents of cumin, vetiver, and grey amber.

The **Souffle Clair** candle echoes the lightness of air and creates an enveloping ambiance with its misty and floral scent composed of notes of camphor, fresh jasmine, and musks.

The **Eau Infinie** candle captures the vital energy of water that nourishes nature and unfolds a refreshing and herbal scent composed of notes of galbanum, moss, and wet earth.

## HARCOURT GLASS CANDLE ►

Inspired by Baccarat's most iconic creation, the Harcourt glass candle is a sculptural candle reinventing, entirely in wax, the original Harcourt Glass, which was first created in 1841. Known as the glass of princes and greats, it was commissioned by Emperor Napoleon III and has since adorned the world's most prestigious tables. Recognizable by its unique silhouette, six facets, and hexagonal base, it has been reinterpreted by some of the greatest designers. Available in a palette of bright, elegant colors, the collection captures the very essence of Harcourt: a symbol of joie de vivre, boldness, and passion, remaining true to its history while always astonishing.

# ARCADIA

Arcadia is the pattern inspired by the arched windows of Baccarat's Manufacture, celebrating what happens behind them, where for generations, passionate artisans have been creating outstanding masterpieces to enchant the world. As a new symbol of the Maison, Arcadia applies a kaleidoscope of graphic lines, geometric shapes, and vibrant colors to adorn some of the pieces in the new Baccarat collections, designed to accompany moments of sharing and joy.

The Arcadia collection comes in four sizes of plates and a "timbale", as well as in two designs. Arcadia Red is enhanced by Baccarat's signature red and precious touches of gold. Arcadia Gold is enhanced by the radiance of gold and platinum, meticulously applied with exceptional artistry. An ode to joie de vivre, the Arcadia services harmonize vibrantly with Baccarat's crystal creations, accompanying moments of sharing and celebration.

## Talleyrand cup, saucer and mug

Enlarging the Baccarat Talleyrand collection, new cups, matching saucers, and a mug are introduced, adding a touch of refinement to any tea or coffee tasting experience. The dazzling white porcelain is enhanced by gold detailing, reminiscent of the cut patterns of the Maison's crystal creations. Each piece features a delicately shaped rim that contrasts with its bold lines. Inspired by the famous diplomat, an epicurean and intellectual figure, the Talleyrand collection embodies subtle elegance while perpetuating Baccarat's joie de vivre.

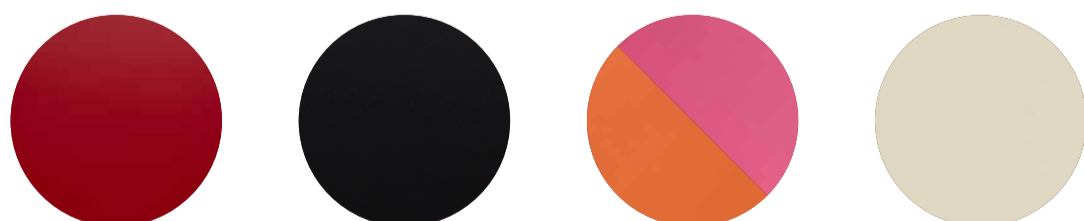

# "OCTOGONE"

Inspired by the red octagonal tassel, the iconic signature of Baccarat, a series of refined lacquered accessories comprise these new pieces, which come to enlarge the Octogone collection. The Octogone tray is a beautiful, lacquered piece, available in 3 sizes. The tray, in the shape of an octagon, is meticulously handcrafted using ancestral artistry. Its brilliant surface captures the light and highlights Baccarat's crystal creations. Each tray comes with a removable leather insert, adding an elegant contrast of materials and textures. The Octogone tray exists in a variety of shades, enriched over the seasons and matched with the coaster from the same collection, creating a dynamic and harmonious service set.
