

HARCOURT WHISKY DECANTER RED BUTTON

Baccarat unveils a collection of its iconic decanters crowned with a red crystal stopper, the Maison's signature color. Symbolizing fire, love, and passion, red is an energizing hue that stimulates the senses.

With its deep intensity, Baccarat red is the result of fusing clear crystal with 24-carat gold powder. Like Baccarat chandeliers adorned with a distinctive red crystal tassel, these Harcourt, Harmonie, and Louxor wine or spirit decanters embody refined craftsmanship and add a festive, joyful touch of color to any occasion.

Harcourt, the Baccarat icon, has traveled the globe with its bold facets and graphic silhouette. Since 1841, the collection has graced the most prestigious tables, transforming every moment into a refined celebration. Sculpted from the purest crystal, the Harcourt Whisky decanter captures the light in a captivating way, revealing a play of reflections that embellishes each liqueur. An essential for discerning connoisseurs, the Harcourt whisky decanter elevates every tasting into a unique sensory experience.
