

Harcourt Red Button Candlestick

Baccarat unveils a collection of emblematic pieces adorned with a touch of red. A symbol of passion and elegance, red is the color of Baccarat. This deep hue embodies vibrant energy and awakens the emotions. Like the chandeliers with their distinctive red tassels, Baccarat red is a unique visual signature that captivates the eye and embellishes the Maison's creations.

The Harcourt candlestick is boldly reinvented, now featuring Baccarat's signature red, a symbol of passion. Known as the collection of princes and greats of this world, Harcourt has graced the most prestigious tables around the globe since 1841. The candlestick's graphic silhouette is now adorned with a red button, enhancing the moment with a touch of refinement and radiance. A celebration of light and sharing, Harcourt embodies the very essence of Baccarat's joie de vivre.
